# Scholarship Opportunities

At CBET, we are committed to delivering exceptional education to our students. To support those pursuing advanced training in Biomedical Equipment and Information Technology, we offer several scholarship programs specifically designed to enhance success in the Healthcare Technology Management (HTM) industry.

## MARS BIO-MED Processes INC. Scholarship

The MARS BIO-MED Processes Inc. Scholarship is for students enrolling in CBET's Dental Equipment Repair Technician program. It supports those with financial need, strong academic performance, and a clear commitment to entering the dental equipment repair field.

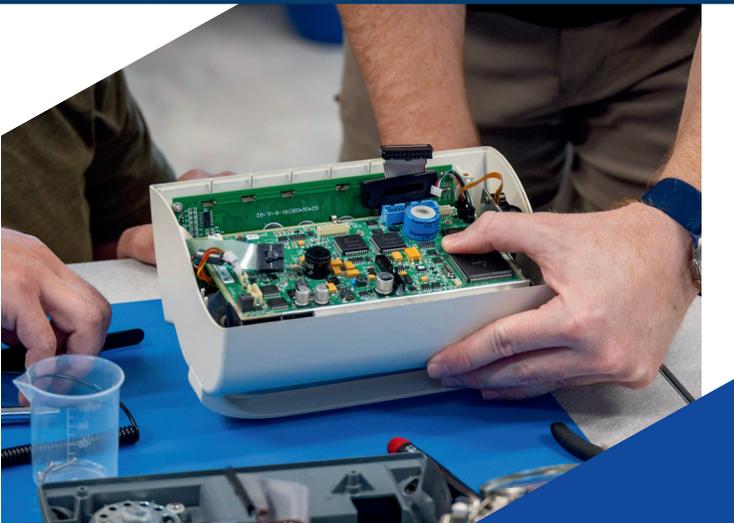

## Glyn Hopkins Memorial Scholarship

The Glyn Hopkins Memorial Scholarship is for CBET students who show academic excellence, commitment to HTM careers, and active involvement in community service. Established in honor of Glyn Hopkins, it recognizes students who reflect his legacy of excellence, generosity, and dedication to uplifting others.

## First Sergeant Warren Bassuk Memorial Scholarship

The First Sergeant Warren Bassuk Memorial Scholarship is for CBET students who are Veterans, active-duty service members, or military-affiliated. It honors Bassuk's legacy of generosity and service by supporting students with strong academics, financial need, and a commitment to careers in HTM.

## Why Choose CBET?

CBET provides accredited, flexible programs that prepare you for careers in Healthcare Technology Management. Our online format and industry focus help you succeed on your schedule.
